ADJUDICATORS REMARKS

Band No. 19

March Albion's

Good to start with some attention
to detail just the odd splash but
solo corner is good, some good
phrasing to the trio.
Beats do well with accents very good
all balanced and in tune.
Tutti is good and some attention
to detail
D.C. is good and neat. A little more
contrast would be good.

A well directed performance that
needs a tad more contrast to
really make a mark

Many thanks

Signed

M Kilroy
